We have our winners

This quarter's Looney Tunes winner will have to wait a while before using her \$10 Target Gift Card; Valentina from Azusa is just one year old. From the other valley, we have Nickolas, 15, of San Fernando who receives a \$25 Borders Gift Card as our CU Succeed winner.

Though Valentina won't remember winning, she'll have more chances in the future — and she'll have a head start on saving money thanks to her Looney Tunes account. CU Succeed members are introduced to good money habits they'll use all their lives. Call or visit our branch to open accounts for your young loved ones.
